Last Update: May 5, 2010

Years in parentheses (1968) means the second, third etc. pressing of the original one, also only the year of release, not the recording date:

(1968)	MPS (F)	15011	Tristeza on Guitar (pressing w/ red label)
--------	---------	-------	--

The abbreviations for the countrys (F) -France, are written after the label.

This [...] parentheses behind words, means that the title is shortened:

*Ritmos Melódicos n. 4 – Gaúcho [...]*

An album-title in parentheses after the first title, means the name of the original first pressing:

*Aquarelles Du Bresil (27 Horas de Estúdio)*

"1971\*" - BrazilOnGuitar could not find a release date for this record, but we decided to indicate the most probable year.

" ? " - missing number, missing label, missing country

Abbreviations:

A – Austria	Br – Brazil	Ch – Switz	Cnd – Canada
D – Germany	E - Spain	F – France	I – Italy
J – Japan	Mex – Mexiko	NL – Netherland	Pe – Peru
Ra –Argentina	UK – United Kingdom	US – USA	YV – Venezuela
